

# FAMILY CHURCH

## YEAR-END PRAYER INITIATIVE

Prayer is a vital aspect of following Jesus. Jesus himself often went away to desolate places to be alone with the Father and pray. As disciples of Jesus, we should follow his example. This sheet is a simple way to practice a daily rhythm of prayer twice a day for a month. Each day has a morning and evening prompt. The morning prompt will start your day with a prayer of gratitude, and in the evening, you will end your day seeking God over an area of your life or church life. Take each prompting, reflect on the subject therein, and pray accordingly. At the end of 16 days, the prayer prompts start over again.
